Re: 2008 VAS General Membership Meeting Minutes

Judy,

Please accept this memorandum as an addendum correcting an item in the recently submitted General Membership Meeting minutes. In the section pertaining to Right of Entry on Page 6 of 6 of the Minutes, it was erroneously reported that Steve Douty would be presenting a report on this subject at the Spring Board meeting. Steve has advised that this is incorrect; and, there will be no report. He further clarified that the seminar presented on January 19, 2008 in Hampton, and the request that any trespass issues be reported to the VAS Central Office essentially closes this matter.

I ask that this memorandum be posted on the website as an addendum to the 2008 General Membership Meeting minutes.

Thanks, Chuck
