2007 has been a banner year for the Trust. This year we had 9 applications for scholarships. The scholarship request were relatively scattered from around the Commonwealth so each geographic area is benefiting from the Trust. Another item of significant interest is several of the applicants (4) are sons of long time VAS members so the VAS is starting to see multiple benefits from the Trust.

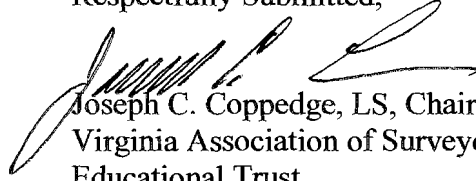

This year the Trust awarded scholarships in the amount of \$18,000.00 to the following: Ms. Shelly Wise, Mr. Jack Richmond, Mr. Brian Shrader, Mr. Colton Lotts, Mr. Joshua Sehl, Mr. Alton Echols, Mr. Sean Yarborough, Mr. Wesley Griggs and Mr. Joshua Ashburn.

As of November 30, 2007 the A account (Securities Account) is valued at \$118,071.74 and the B account (Command Account) at \$22,260.63 with current scholarship liabilities of \$00.00. Other than administration fees the Trust has no other financial liabilities at this time. The total value to the Trust as of November 30, 2007 including cash and securities minus liabilities is \$140,332.37. With the funds we receive from the silent auction, raffle, private donations and the education committee, we expect the trust to continue to grow and be able to fund more scholarships.
