James J. Lewis, Jr.	Copper

This list of donors is continually growing much to the appreciation of the Virginia Association of Surveyors, Inc. Future donors will be added to this list as time permits. For 58 years the VAS has upheld its purpose to promote the practice of land surveying. The education of future land surveyors to follow in our footsteps is absolutely essential to our profession.

Thank you very much,

David L. Holland
 Chairman – VAS Appalachian Trail Crossing 2005 Committee
